ZIPPOS AFTER SHOCK — AN INCREDIBLE SIRE

Seldom do you run into an individual that truly has no hidden agenda in their breeding program. Dr. Cyril Gaum is just that individual. A World Renowned Endodontist, Dr. Gaum has been involved in the halter, cutting and pleasure horse industry for decades. He's always had great success with his show horses but when the opportunity presented itself to migrate to the breeding side of industry, Dr. Gaum did so, upon the recommendation of Shorty Parks. *Zippos After Shock* was purchased at the AQHA World Show Sale just a few short years ago by Dr. Gaum. This incredibly beautiful, correct, balanced bay stallion not only represented exceptional bloodlines, but Dr. Gaum felt he was destined to be a great breeding horse—and believe it or not, Dr. Gaum wants to just produce “really great horses”. In other words, QUALITY over QUANTITY.

Zippos After Shock has proven himself to be one of the hottest sires of recent champions in the western

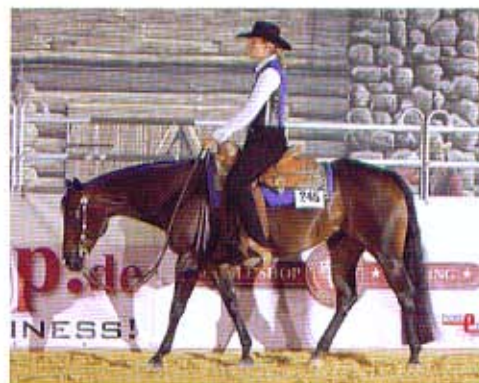

pleasure industry today. He is now the SIRE OF 7 CONGRESS CHAMPIONS, AQHA HIGH POINT, an NSBA & EQUISTAT LEADING SIRE, and now a EUROPEAN CHAMPION SIRE!

Zippos After Shock carries on the tradition of proven sires through his lineage. He is sired by the extraordinary AQHA Hall of Fame horse, *Zippo Pine Bar*, himself an AQHA Champion and Superior Western Pleasure horse. *Zippo Pine Bar* played a major role in creating the modern Western Pleasure horse. Legendary as a sire of champions, his get are known for their talent, great minds, trainability and fluid, natural movement. They have earned nearly 70,000

AQHA points in all divisions combined, over \$1.1 million in incentive fund money and over \$1 million in NSBA earnings. *Zippo Pine Bar* is by Zippo Pat Bars and out of Dollie Pine.

Zippos After Shock's dam is the proven producer *Sassy Hotrod*. Her foals have earned over 400 Western Pleasure Points in all divisions

combined and over \$6,000 in NSBA earnings. **Sassy Hotrod**der is sired by superior earner, World Champion & NSBA Hall of Fame inductee, **Hotrod**der's **Jet Set**. Her dam is AQHA point earner, **Does Teddy Bar**, who is by **Sir Teddy Too**. This magical cross ('Zippo' and 'Hotrod' bloodlines) has produced some of the top performance horses in the industry over the past several years. **Sir Teddy Too** is a real added bonus, lending the beauty, size, and tremendous athletic ability.

Unable to prove himself in the show pen due to an injury, **Zippos After Shock** is proving himself through his foals. They are consistently inheriting his beauty, pleasing temperament, intelligence and extremely fluid movement.

As of 2006, **Zippos After Shock** foals have earned over 2,500 points in all divisions combined, over \$50,000 in AQHA Incentive Fund Earnings and nearly \$120,000 in NSBA earnings. They are also making their mark in the reining arena with over \$38,000 in NRHA winnings!

With so many of his foals earning prestigious titles, **Zippos After Shock** has truly proven himself as the sire Dr. Gaum had believed he would become.

Zippos After Shock's proven ability as a prepotent sire makes him an outstanding choice for the discriminating breeder. We invite you and your mare to join with us in producing future generations
